Overview

Minimum Hourly Rate $30

Do you want nice, clean, unit-tested OOP code with clean separation of view and logic? Care about the quality of code and future upgrades? Interested in long-term cooperation?
Take a look what can be done in just 10 minutes:
http://www.youtube.com/user/WebjobsBiz

You will see clean separation of view and logic, almost no code, server-side validation, pagination and sorting...
